Don't you ever fell! This warm desire deep in you?  
To break the bound to rule it all!  
Rule your life, ruin their own, be the weapon!  
Control your fate and use all your hate!

Dreams of blood, desire of flesh.  
This inward attraction is more wicked than the hate you  
all fell.

Your murder's instinct just start to raise,  
Your wish of violence is about to be born.

Don't you ever fell! the needs to face your enemy?  
Fantasy could become reality...

Don't you ever fell the will?  
Don't you ever feel the thrill?  
Don't you ever fell the chill?  
Don't you ever wanna kill somebody?

Don't you ever fuckin' fell it?

I'll be your end,  
How important is your life, don't you ever asked it to  
yourself?  
I'll bring you pain,  
It's costing me hell but I am going to show you how!  
I bring elevation to a murder within!

[Lead: Zephiros]

Thirst for blood's, appetite for flesh's  
This inward rage is stronger than an about to kill army

Your murder's instinct grows on and on  
Your will of vengeance is about to be done!

Accept this clip and swallow my benediction  
Lay down my feet and spread the wine of creation

I know you are a willing victim!  
You know I am a murder within...

[Lead: David]

Reign of blood, works of heart and flesh!  
This insight wisdom disappear to reveal your exaction.

Your murder's instinct reach more than high  
Your will to kill is about to overcome...

I'll be your end,  
How important is your life, don't you ever asked it to  
yourself?  
I'll bring you pain,  
It's costing me hell but I am going to show you how!  
It'll be your end,  
This is your final chance to feel free and never be a  
slave again  
It'll bring you pain,  
It's costing you more than all, don't you ever fear it?  
You bring elevation to a murder within!
