"Crazy For You"

I lie on the bed
And I don't know what to do,
I close my eyes,
Then think of you,
(Again and again and again)
You drive me crazy,
Oh... Baby
STOP!

You can smile,
You can sing,
You can dance with me,
You can fly,
You can talk,
Your blonde lush long hair
Opens me everywhere.

Your romantic speech makes me tingle,
I think your sparkling eyes pinch me everyday,
An angel is going to shine on me,
When it's time to sing,
I can break,
I haven't got forever,
STOP!

(Chorus)
You show me
Ohhh I can't wait!

(Chorus)
