Life isn't so easy
Isn't a fairytale
You go, you fall,
You try and fail

Life makes you cry
It hurts you, gets you down
Brakes your hopes
Drops you on the ground

But in spite of all this
You must still believe
You must reach your dream
Need to make you feel
Everything you wish
Possible to get it
Just gotta have a dream
Just gotta have a dream

No, life isn't that easy
It's like a game
You have some happy minutes
And it brings you pain again

Life turns off all the lights

To left you in the dark
Stars not shining bright
It's hard to hear your heart

But in spite of all this
You must still believe
You must reach your dream
Need to make you feel
Everything you wish
Possible to get it
Just gotta have a dream
Just gotta have a dream

Joy everyday
Live today
Dream away

Reach everything
Appreciate little things
Just gotta have a dream
Just gotta have a dream

Just gotta have a dream
