The moonlight shadow is searchin' for me
You'd better hide, don't you hear what I say
He put a spell on me and I can't run away

And it's real to me
Dagger of the mind
Why can't you see
Dagger of the mind

He is commin closer, I can feel his breath
It's smellin' awful, the smell of death
My brain is boiling, the panic it's on it's way
I must delay him so I can be saved by the day
saved by the day

He's looking down at me, I can see his eyes
I tried to fool him, I was in for a surprise
He shook my body, he ripped it all apart
This nightmare agony, was eating out my heart
eating out my heart

And it's real to me
Dagger of the mind
Why can't you see
Dagger of the mind

Every night it's the same thing
He haunts me in my dreams
Every night I fall asleep
He's there and he is mean

I can't get him off my back
It seems he wants my soul
He's eating out my inner space
I'm getting out of control

I can see the light in the end of my dreams
I must go there, got no choice it seems
I know it is my rescue, I got to come in
Into the light there is no hate, fear and sin

Can't you see it's me
Dagger of the mind
Can't you see it's me
Dagger of the mind

The moonlight shadow is searchin' for me
You'd better hide, don't you hear what I say
He put a spell on me and I can't run away
I must delay him so I can be saved by the day
