Destiny: I'm walking in this party and i'm feeling some  
jealousy now i'm asking my friends is it them or is it me  
(no)

I don't understand why it has to be jealousy is it  
because  
im so so pretty whoah

Chorus:

Is it haterade that your sippin on whoah  
I dont know but it really gots to go whoah  
people staring like they just don't know whoah  
if they keep on staring then i might blow whoah

Verse1:

Sahir: I can tell that they're hating all on me i don't  
care cause them lames is nobody people acting  
like they don't like what the see but I know it's time  
for me to be the star that they make me out to be  
whoah

Chorus:

Is it haterade that your sippin on whoah  
I don't know but it really gots to go whoah  
people staring like they just don't know whoah  
if they keep on staring I might blow whoah

Verse2:

Destiny: Haters are making it easy for me  
to be the star that I always wanted to so all  
I gotta say is thankyou for modervating me  
cause this is something that you can never be  
whoah

Chorus:

Is it haterade that your sippin on whoah  
I don't know but it really gots to go whoah  
people staring like they just don't know whoah  
if they keep on staring I might blow whoah

Verse2:

Sahir: congradgulations on being my enemy  
you make it hard for yourself when it could be

easy so stop trying to be people that you can't  
be I send my condolences out to your family whoah

Chorus:

Is it haterade that your sippin on whoah  
I don't know but it really gots to go whoah  
people staring like they just don't know whoah  
if they keep on staring I might blow whoah

Bridge:

Destiny: Oh my God are they staring at us

Sahir: Oh my God i'm bout to blow up

Destiny: Oh my God should we have shown up

Sahir: Oh my God shonuff

Chrous:(till fades)

Is it haterade that your sippin on whoah  
I don't know but it really got to go whoah  
people staring they they just don't know whoah  
if they keep on staring I might blow whoah

And Cut!!!!!!
