We took a walk in the park
You asked me a question I had no answer to
You said it's cool... then looked down

You said it's over
While I was having a good time
In the pool
Goodbye I'll miss you
It was a poolside break up

The next day I saw
Why it was a poolside break up
Because you wanted to be with her
Why couldn't you tell me the truth
I never wanted to find out this way
I'll be missing you just soo you know

You said it's over
While I was having a good time
In the pool
Goodbye I'll miss you

It was a poolside break up

(Bridge)

Please come back to me
I need you back
I want you back
I can't live with out you
Can't you see how much I'm needing you right now
I want you back
I need you back

You said it's over while I was having a good time
In the pool
Goodbye I'll miss you
It was a poolside break up

You said it's over while I was having a good time (you said)
In the pool (yeah)

Goodbye I'll miss you (goodbye, goodbye oh yeah)
It was, it was a poolside break up
