Will there be a morning?  
Is there such a thing as day?  
Could I see it mountains  
If I were as tall as they

Has it feet like water lilies  
Has it heathers like a bird  
Is it brough from famouse countries  
Of which I have never heard

(Bridge)

Oh, some scholas! oh, some sailor!

Oh, some wise man from the skies!  
Please to tell a little pilgrim  
Where the place called morning lies

Has it feet like water lilies  
Has it feathers like a bird  
Is it brought from fanouse countries  
Of which I have never heard
