I love you... I love you, I love you

Baby I love you, you are my life
My happiest moments weren't complete if you weren't
by my side
You're my relation and connection to the sun
With you next to me, there's no darkness I can't
overcome
You are my raindrops, I am the seed
With you and God who's my sunlight I'm blooming,
grown so beautifully
Baby I'm so proud, proud to be your girl
You make the confusion go all away from this cold and
misty world

I am in love with you (in love)
You set me free
I can't do this thing called life without you here with me
Cause I'm dangerously in love with you (in love)
I'll never leave
Just keep loving me the way I love you loving me

Cause I am in love with you (in love)
You set me free
I can't do this thing called life without you here with me
Cause I'm dangerously in love with you (in love)
I'll never leave
Just keep loving me the way I love you loving me

And I know you love me, love me for who I am
Cause years before I became who I am, baby you were
my man
I know it ain't easy, easy loving me
And I appreciate the love and dedication from you to
me
Later on in my destiny I see myself having your child
I see myself being your wife and I see my whole future
in your eyes
In awe of my love for you, sometimes makes me wanna
cry
Realize all of my blessings, I'm grateful to have you by

my side

(Chorus X2)

I am in love with you (in love)

You set me free

I can't do this thing called life without you here with me

Cause I'm dangerously in love with you (in love)

I'll never leave

Just keep loving me the way I love you loving me

Every time I see your face, my heart smiles

Every time it feels so good, it hurts sometimes

Created in this world to love, to hold, to feel, to breathe

To live you

Dangerously in love, yeah

(Chorus X2)

I am in love with you (in love)

You set me free

I can't do this thing called life without you here with me

Cause I'm dangerously in love with you (in love)

I'll never leave

Just keep loving me the way I love you loving me

Dangerously (dangerously)

Dangerous, dangerously in love with you

Oh, I love you, An Love, An Love, An Love, An Love, An
Love You

I love you.. oh yes..

I Love You. An Love, An Love, An Love you, An Love, An

Love you, I Love you, I Love you, I Love you, I Love You

Dangerously In Love
