Sitting on the stairway
Hoping that your ok
Waiting patiently
For you to come back to me
(what should I do)
I don't mind the waiting
As long as there's still maybe
A possibility
For you to be true to me

I'll be sitting on the stairway
Till a quarter till two
With nothing to do baby
I twiddle my thumbs and wait

Chorus :

Killing time
Waiting on you
What should I do
I'll be sitting here waiting

Killing time
Waiting on you
What should I do
I'll be sitting here waiting

I look inside your mirror
I'll hope that you see clearer
Look behind yourself
And you will find me
I got your back baby
The love I have I'm saving
I'll be there for you
Just like I said I'll be

I'll be sitting on the stairway
Till a quarter till three
With nothing to do baby
I twiddle my thumbs and wait

Repeat Chorus

Oh baby when you come back down
Don't forget the love you found in me
I know that your gonna take time
Remember I'm by your side

Don't worry I'm down for you
No matter what you're going through
I'll be there, I'll be there
Baby, Baby, Baby, Baby, Baby

Repeat Chorus Till End
