Funky!

Chorus:

Smell all that funk
(Out ya mouth)
I can smell your breath
(Make ya shout)
Do you smell your breath
(Holler out)
What's up with your breath
(Repeat)

Verse:

Ewww!

Ya talking to me and now I'm talking to you
You coming too close and I don't know what to do
I breathed in deep I felt like saying to you
Forget you, forgot you, never thought about you
Your breathe is kicking smell like old onion soup
Ewww!

I'm starting to believe that's it's way too much for you
To take a Tic-Tac but I know that it wouldn't help you
You keep on talking trying to give you a clue
That you need to brush your teeth to-
Morrow in the morning and at night too

Chorus 2x

Verse:

If your breath makes me say, "Ewww!"
You know what to do
Get on out of my face
You in my personal space
If your breath makes me say, "Ewww!"
Get up out of my grill
You don't have no business in this
Get to steppin' here's some Listerine Strips
(Strips echoes)

Chorus 2x

What's up with your breath
