(Chorus)

I know you see me watching you  
And I see you watching me  
Cause boy your body's callin'  
And temptation is killin me  
(Repeat 2x)

(Verse)

I'm chillin at the spot and my posse's fo' deep  
I had my man on my mind but turn my head what did I  
see  
The fellas lookin fly and there was one that caught my  
eye  
So I bit my lip switched my hips as I walked by saying  
Sexy boy you so fly I just might give you a try  
Imma write yo number in the palm of my hand  
Oops I forgot I got a man

(Chorus)

(Verse)

I'm thinkin to myself should I even take a chance  
Should I do what's on my mind or should I stay down  
with my man  
This boy got me fienin and I'm wantin him so bad  
Should I chill it out with you and risk everything I had  
Saying sexy boy you so fly I wish I could give you a try  
But my man's at home waiting for me by the phone  
Sorry can't get my groove on

(Chorus)

(Bridge)

Temptations is callin  
I be wantin you so bad I could cry  
Relationships callin me  
To do what's wrong but I gotta do right  
(Repeat)

(Chorus)

Temptations is callin  
I be wantin you so bad I could cry  
Relationships callin me  
To do what's wrong but I gotta do right  
(Repeat)

(Chorus)
