Verse 1:

I gave my heart to you, I gave up my friends like you
said I should do.
Put aside my smile for you, I blew up my dreams coz
you said you didn't approve.
I gave my mind, compromised my life.
Just to see I'd find, you were tryna hold me back.
Slowly throwing me off my track, disappointed again.

Chorus:

I'm through with it love, I'm through with it, through with
it love,
I'm through with it, through with it love, I'm through with
it, through with it love, I'm finally giving it up.
I've given so much in the past, for love I've never had.
I'm through with it, I'm I'm through with it love, I'm
through with it, through with it love,
I'm finally giving it up.

Verse 2:

Oh there you go comparing me to every little model on
the TV screen.
Oh there you go complaining to me, coz I wanna spend
time with my family.
My esteem has gone down, you never wanna take me
out.
You make me feel dumb, and alone, I don't know where
to go.
I'm through with it?

Chorus:

I'm through with it love, I'm through with it, through with
it love,
I'm through with it, through with it love, I'm through with
it, through with it love, I'm finally giving it up.
I've given so much in the past, for love I've never had.
I'm through with it, I'm I'm through with it love, I'm

through with it, through with it love,
I'm finally giving it up.

Verse 3:

I shared all my secrets with you (you)
Even when it hurt telling the truth
I paralyzed my growth for you (you)
I gave you control
Felt so helpless without you
Couldn't be a friend (friend)
To anyone happy (happy)
Cause with you i see (i see)
Misery loves company
I don't know, if this is love
Cause if it's love
I don't want it anymore
Im through with it

Chorus:

I'm through with it love, I'm through with it, through with
it love,
