This is how I feel, about Christmas.....

It's the smell of pine, it's the Christmas lights
It's the feeling of God, it's that good ol' egg nog
It's the blessed faces, it's them happy babies
It's the family prayer, it's that new V.S. underwear
It's that anxiousness, it's that gratefulness
It's that broke shiz-nit after givin all them gifts

Loving and laughing and sharing this winter paradise
Loving and laughing and sharing this winter paradise

What this Christmas means to me, spending my time
with my family
Knowing it's a season for giving, running downstairs
for Mom's cooking
Send Christmas love to the ones you know, kissin' your
man under the mistletoe
Spreading love to everyone, and thanking God for the
birth of His Son

Loving and laughing and sharing this winter paradise
Loving and laughing and sharing this winter paradise

Snowing and it's cold outside, wrapping gifts by the
fireside
My family is here, Christmas day is here, it's that very
special time of the year
Blessed time, a joyous time, it a giving time, a feeling
time
It's a happy time, a laughing time, sharing this winter
paradise

Loving and laughing and sharing this winter paradise
Loving and laughing and sharing this winter paradise

It's your gifts you give, it's your relatives
It's your kids in the back room, it's that good home-
cooked food
It's the Christmas color, it's the stocking stuffer
It's the impatient nights, winter paradise

Loving and laughing and sharing this winter paradise
Loving and laughing and sharing this winter paradise

La-ha-ha-ha-ha-ha-ha-ha-ha-haughing
La-ha-ha-ha-ha-ha-ha-ha-ha-haughing.....
