Beyonce
What?
Michelle
What?
Look
Where?

Hold up, do-do-don't turn your head
Just slowly turn your head, oh
Oh yes
Oh
That's right
Girl
He's definitely fine
That's right
He's fine

He walks in the club with love in his eyes
As he steps flock, flockin' females by his side
Lookin' scrumptious, even though he ain't tryin'
The finest thang that you ever did see

The sexy creation had his hat tilted to the side
Starin' at me, had my nostrils open wide
Can't even vocalize what I visualize
And my body paralyzed as he smiled at me

I said, "Hey boy, would you enjoy
Sittin' next to me in your corduroys?
I'm from Texas, my girl is from Illinois
Where you from? Can I come visit you sometimes?"

My, oh my, you seem like husband material
Caught in your cheerial
Are you married 'cause you're very, very extraordinary,
kinda scary
I want your name added to my vocabulary

Lullaby love
Where have you been all of my life?
Your chocolate covered, strawberry
Apple pie a la mode

Lullaby love
Where have you been all of my life?
Your chocolate covered, strawberry
Apple pie a la mode

Tell me your dreams and aspirations
What's your future plans? What's your motivations?
Boy, I'm lovin' how you so unpredictable
But I'm feelin' you, guess, I got to give with you

Admirin' you, you might check again
As I step say a prayer
"You available?", so sensual
Lullaby love heartbreakable
So special, baby makable

Lullaby love
Where have you been all of my life?
You're chocolate covered, strawberry
Apple pie a la mode

Lullaby love
Where have you been all of my life?
You're chocolate covered, strawberry
Apple pie a la mode

It's all in the way you look at me
Apple pie la mode
I'm sure I'll enjoy your company
Apple pie la mode

You're turning me on with your modesty
Apple pie la mode
You have such a beautiful personality
Apple pie la mode
Hee

Lullaby love
Where have you been all of my life?
You're chocolate covered, strawberry
Apple pie a la mode

Lullaby love
Where have you been all of my life?
You're chocolate covered, strawberry
Apple pie a la mode

Lullaby love
Where have you been all of my life?
You're chocolate covered, strawberry

Apple pie a la mode

Lullaby love

Where have you been all of my life?

You're chocolate covered, strawberry

Apple pie a la mode
