Verse 1:

Dim the lights down low
Take your time with me
But i don't need deep ohh slow
Lay back and let your hands find every secret spot of

Calling me
Let the candles blow while im rocking your body from
head to toe
You can watch my silhouette flow
On the wall it can be your private picture show

Body rock put it all on me
Body rock spread it all over
Body rock rock rock give it all to me
Body rockkkk baby bring it home

Body rock don't hold back on me boy
Body rock rock rock don't leave me hungry
Body rockkkk baby bring it home
