Beyonce' - The cards never lie, my last breath a sigh
and now I think about if it's my time to die
I don't know what I was thinking, steady wasting time
with Hill
and I need to live my life because my time is
unforgiven

I can't understand how my life changed around
Manifest my destiny, is it the brown on the grown?
Blue skies are turning gray it's the point of indecision
Leaving in the car and much be spent on television

Wyclef - Oh Girlfriend, get your mind on right
Don't spend your time cause you can't waste your time
Everyday like it's your last, but you must feed the mind
Intervention comes and snatch up all your dreams from
behine

Love!
You feel it and you got to let them know it
Love!
Your heart and that's the feeling that you go with
If you have a dream you need to go and let them know
it
Cause you could wake up in the morning and it could
be over

Beyonce' - No, No, No, No
I don't wanna, I don't wanna
I don't wanna go
Just, Just, Just let me stay home
Let me live my dream, let me see another dawn

No, No, No, No
I don't wanna, I don't wanna
I don't wanna go
Just, Just, Just let me stay home
Let me live my dream, let me see another dawn

Rah Digga - Carmen, don't listen cause the cards have
deceit

Just slide him the money, we don't need a receipt
Truth only exists within the eyes of the beholder
Plus he's kind of young for fortune telling
He probably should be older

Wyclef - But the cards never lie, I thought I told you
Now it's her turn to try, to reach her goals before she
reaches
the light

Beyonce' - This is love
It's like I'm trying to throw my life away-ac
