You need to stop playing Around
With all them clowns and the wangstas
Good girls gotta get down with them gangstas
Go head girl put some back and some make up on it
While I stand up in the background and check up on it

Ooh boy you looking like you like what you see
Won't you come over check up on it, I'ma let you work
up on it
Ladies let 'em check up on it, watch him while he check
up on it
Dip it, pop it, twirk it, stop it, check on me tonight

If you got it flaunt it, boy I know you want it
While I turn around you wanna check up on it
Ooh you watchin' me shake it, I see it in ya face
Ya can't take it, it's blazin', you watch it in amazement

You can look at it, as long as you don't grab it
If you don't go grabbin', I might let you have it
You think that I'm teasin', but I ain't got no reason
I'm sure that I can please ya, but first I gotta read you

Ooh boy you looking like you like what you see
Won't you come over and check up on it, I'm gone let
you work up on it
Ladies let 'em check up on it, watch him while he check
up on it
Dip it, pop it, twirk it, stop it, check on me tonight

Ooh boy you looking like you like what you see
Won't you come over and check up on it, I'm gone let
you work up on it
Ladies let 'em check up on it, watch him while he check
up on it
Dip it, pop it, twirk it, stop it, check on me tonight

I can tell you wanna taste it, but I'm gone make you

chase it
Got to be patient, I like my men patient
More patience, you take might get you in more places
You can't be abrasive, have to know to pace it

If I let you get up on it, you gotta make a promise
That you gone put it on me, like no ones put it on me
Don't bore me, just show me, all men talk but don't
please
I can be a tease, but I really wanna please you

Ooh boy you looking like you like what you see
Won't you come over and check up on it, I'm gone let
you work up on it
Ladies let 'em check up on it, watch him while he check
up on it
