(verse 1)

The day you pissed me off
I told Mike to pick me up
I told him you was buggin and
I don't like to fuss
He said he would look out for me
If i needed a friend
He took me to his house and then he
Invited me in...
Then we sat on the couch
He put his arms around my waist
Knowin i need lovin then he
Gently grabbed my face
He kissed me like a guy could never
Kiss a girl before
So you know what happened baby
I need to say no more

(chorus)

I'm just confessing
About some things i did
I might-as-well come clean
What you feel about that baby
I'm just confessing
Bout the things i did
I might-as-well come clean
What you feel about that baby
I'm just guessing
That you through with me?
Cause I just came clean
What you feel about that baby
I'm just guessing
Are you through with me?
Cause i just came clean
What you, feel about that...

(verse 2)

Remember the time you wondered
Where your money went?
I called my friends
And bought some clothes

And took the on a trip
I met a dude that had a jeep
And we talked all the time
He asked me bout my man
And you know that i had to lie.
He thought i had no man
And i was chillin by my self
Don't get mad
Cause i feel sad
That's why i must confess.
So many times i wanted to
Let you know my dirt.
But everytime you said
You loved me i knew it would hurt.

(CHORUS)

(Bridge)
I was mad what was i to do
Never had any mind to
Play on you
Look at all the hurt you put
Me through
I can't tell a lie so I'm
Tellin the truth

I was mad what was i to do
Never had any mind to
Play on you
Look at all the hurt you put
Me through, you know, you know
(repeat)

(CHORUS)
Missy-(Confess, Come clean Boo, yo , what you feel
about that, what you
Feel about uh, what you feel about that, confessing
baby, misdameanor,
Destiny, uh uh uh , we out 2-0-0- 0)
