I love you  
I love you, I love you

Baby I love you, you are my life  
My happiest moments weren't complete if you weren't  
by my side  
You're my relation and connection to the sun  
You next to me, there's no darkness I can't overcome

You are my raindrops, I am the sea  
You and God who's my sunlight, I'm blooming, grown  
so beautifully  
Baby I'm so proud, proud to be your girl  
You make the confusion go all away from this cold and  
misty world

I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep loving me the way I love you loving me

I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me

I know you love me, love me for who I am  
'Cause years before I became who I am, baby you were  
my man  
I know it ain't easy, easy loving me  
I appreciate the love and dedication from you to me

Later on in my destiny I see myself having your child  
I see myself being your wife and I see my whole future  
in your eyes  
Thought of all my love for you, sometimes makes me  
wanna cry  
Realize all of my blessings, I'm grateful to have you by

my side

I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep loving me the way I love you loving me

I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me

Every time I see your face, my heart smiles  
Every time it feels so good, it hurts sometimes  
Created in this world to love  
To hold, to feel, to breathe, to live you  
Dangerously in love, yeah

I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep loving me the way I love you loving me

I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me

Dangerously  
Dangerous, dangerously in love with you  
Oh, I love you, I love you, I love you, I love you, I love  
you, I love you  
I love you, oh yes  
I love you  
I love you, I love you, I love you, I love you, I love you  
I love you  
I love you  
I love you, I love you, I love you, I love you  
Dangerously in love

I will survive the past, I will survive the fear and I will  
survive
