It's over and done
But the heartache lives on inside
And who is the one you're clinging to
Instead of me, tonight?

And where are you now?
Now that I need you
Tears on my pillow
Wherever you've go, go

Cry me a river
That leads to your ocean
You'll never see me fall apart
And the words of a broken heart

It's just emotions taking me over
Caught up in sorrow lost in the song
But if you don't come back
Come home to me darling

Don't you know there's
Nobody left in this world to hold me tight
Don't you know there's
Nobody left in this world to kiss goodnight
Goodnight, goodnight

I'm here at your side
Apart of all the things you are
But you got a part of someone else too
You gotta go find your shining star

And where are you now?
Now that I need you
Tears on my pillow
Where ever you go go

Cry me a river
That leads to your ocean
You'll never see me fall apart
In the words of a broken heart

It's just emotions taking me over

Caught up in sorrow lost in a song
But if you don't come back
Come home to me darling

Don't you know there's
Nobody left in this world to hold me tight
Don't you know there's
Nobody left in this world to kiss goodnight
Goodnight

And where are you now?
Now that I need you
Tears on my pillow
Where ever you go go

Cry me a river
That leads to your ocean
You'll never see me fall apart
In the words of a broken heart

It's just emotions taking me over
Caught up in sorrow lost in a song
But if you don't come back
Come home to me darling

Nobody left in this world to hold me tight
Nobody left in this world to kiss goodnight
Goodnight, goodnight
