Hit me

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my breath

Ooh, I put it right there to make it easy for you to get to
Now you want to act like you don't know what to do
After I did done everything that you asked me
Grabbed you, grind you, liked you, tried you
Move so fast baby now I can't find you

Ooh, I'm starting to believe that I'm way too much for
you
All that talk but it seems like you can't come through
All them lies like you could satisfy me
Now I see where believing you got me
Gave you the wheel but you can't drive me

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my breath

Ooh, two things I don't like when I'm trying to get my
groove
Is a partner who meets me only halfway and just can't
prove
Take me out so deep when you know you can't swim
Need a lifeguard and I need protection
To put it on me deep in the right direction

Ooh, you understand the facts that I'm trying to give to
you
You moving so slow like you just don't have a clue
Didn't mama teach you to give affection?
You're the difference from a man and an adolescent
It ain't you boo so get to steppin'

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my breath

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my breath

If you can't make me say, ooh
Like the beat of this drum
Why you ask for somethin'
You ain't really want nothin'

If you can't make me say ooh
Like the beat of this groove
You don't have no business in this
Here's your papers, baby you are dismissed

Come on
[Incomprehensible] with me
[Incomprehensible] come on, just come

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my breath

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my

Can you keep up?
Baby boy, make me lose my breath
Bring the noise, make me lose my breath
Hit me hard, make me lose my breath
