Dark Child, na na

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Why the sudden change?

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Better say my name

Any other day I would call, you would say
"Baby how's your day?" But today it ain't the same
Every other word is uh huh, yeah okay
Could it be that you are at the crib with another lady?

If you took it there, first of all, let me say
I am not the one to sit around and be played
So prove yourself to me, I'm the girl that you claim
Why don't you say the thangs that you said to me
yesterday?

I know you say that I am assuming things
Something's going down that's the way it seems
Shouldn't be the reason why you're acting strange
If nobody's holding you back from me

'Cause I know how you usually do
When you say everything to me times two
Why can't you just tell the truth?
If somebody's there then tell me who

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby

Why the sudden change?

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Better say my name

What is up with this? Tell the truth, who you with
How would you like it if I came over with my clique
Don't try to change it now, sayin' you gotta bounce
When two seconds ago, you said you just got in the
house

It's hard to believe that you are at home, by yourself
When I just heard the voice, heard the voice of
someone else
Just this question, why do you feel you gotta lie?
Gettin' caught up in your game when you can not say
my name

I know you say that I am assuming things
Something's going down that's the way it seems
Shouldn't be the reason why you're acting strange
If nobody's holding you back from me

'Cause I know how you usually do
When you say everything to me times two
Why can't you just tell the truth?
If somebody's there then tell me who

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Why the sudden change?

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Better say my name

Where my ladies at
Can you say that? C'mon
All the girls say
I can't hear ya

All the ladies say
All the girls say
Break it down
D.C., take it to the bridge c'mon

I know you say that I am assuming things
Something's going down that's the way it seems
Shouldn't be the reason why you're acting strange
If nobody's holding you back from me

'Cause I know how you usually do
When you say everything to me times two
Why can't you just tell the truth?
If somebody's there then tell me who

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Why the sudden change?

Say my name, say my name
If no one is around you, say "Baby, I love you"
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Better say my name

Say my name, say my name
If no one is around you, say "Baby, I love you"
