[Kelly]

It's over and done
But the heartache lives on inside...
And who's the one you're clinging to
Instead of me tonight...

And where are you now, now that I need you?
Tears on my pillow wherever you go, go
I'll cry me a river that leads to your ocean
You'll never see me fall apart

In the words of a broken heart
It's just emotions
Taking me over
I'm Caught up in sorrow
Lost in the song
But if you don't come back
Come home to me, darling
Don't you know there's nobody left in this world to hold
me tight?
Don't you know there's nobody left in this world to kiss
goodnight
Goodnight, goodnight

[Beyonce']

I'm there at your side,
I'm part of all the things you are
But you've got a part of someone else
You've got to find your shining star

And where are you now, now that I need you?
Tears on my pillow wherever you go
I'll cry me a river that leads to your ocean
You'll never see me fall apart

In the words of a broken heart
It's just emotions taking me over
I'm Caught up in sorrow
Lost in the song
But if you don't come back
Come home to me, darling
Don't you know there's nobody left in this world to hold

me tight?
Don't you know there's nobody left in this world to kiss
goodnight
Goodnight, goodnight

And where are you now,
[Michelle]
Now that I need you?
Tears on my pillow wherever you go
I'll cry me a river that leads to your ocean
You'll never see me fall apart

In the words of a broken heart
It's just emotions taking me over
I'm Caught up in sorrow
Lost in the song
But if you don't come back
Come home to me, darling
Don't you know there's nobody left in this world to hold
me tight?
Don't you know there's nobody left in this world to kiss
goodnight
Goodnight, goodnight
