Uh uh, hey baby, how you?  
Why yo' face lookin' all sad and blue  
Don't you like the Navigator truck that I brought you  
Why you trying to act a fool?

Don't try to say you seen me  
Talking to your girlfriends  
Ask Tonya and Shirl then  
Gimme a place and time when  
Don't try to accuse me of silly stuff  
That I'm doing on the streets

You gotta remember  
Without you, there's no me  
I'm just an average man  
Tryin' to make it in this cold world  
Tell me baby, why you trippin', girl?

I don't wanna fuss with you  
So I'm gonna sit out on the couch  
Don't try to talk to me  
'Cause boy, I am locking you out

I don't wanna hear a thang  
Nothin' you've gotta say  
You should think twice  
About the way you been talkin' to me

Betta catch a cab, get on the bus  
I ain't got no time for you talking all that junk  
I'm here to pack my stuff, is this what you want?  
I don't really care 'cause there's no more us

Ain't got no words for you  
So you can stop callin' my friends  
Tellin' them it wasn't yo' fault  
And why I ain't lettin' you in

To many times before  
I let you back in my life  
But this is a new day  
And this won't go down tonite

Betta catch a cab, get on the bus  
I ain't got no time for you talking all that junk  
I'm here to pack my stuff, is this what you want?  
I don't really care 'cause there's no more us

Mmm, mmm  
(Da-da-duh-da-da)  
Mmm, mmm  
(Woo)

Mmm, mmm  
Mmm, mmm  
(Say what)

Introduce you to Dolce and Gervana  
Advance you from dirtbikes to Hondas  
Took you from that terrible stress  
Now you telling me that I am a bother

What kind of mess is that  
To tell a man who put you on his team?  
That's just like killing a dream  
(No, no baby)  
That's how it seems

I worked hard to build up what I had for you  
I pray to God, that there's not another man  
Between me and you  
So just tell me there's no need to lie  
For while you sleepin' with your eyes closed  
Do you wanna talk? Aight yo

Betta catch a cab, get on the bus  
I ain't got no time for you talking all that junk  
I'm here to pack my stuff, is this what you want?  
I don't really care 'cause there's no more us

Betta catch a cab, get on the bus  
I ain't got no time for you talking all that junk  
I'm here to pack my stuff, is this what you want?  
I don't really care 'cause there's no more us
