#### CHORUS

I woke up this morning  
The sun shine was shining  
I put on my happy face  
Im living, Im able  
Im breathing, Im grateful  
To on put on my happy face

Woke up and realized this worlds not so bad after all  
Looked at it through a childs eyes and saw that its  
beautiful  
Things that you never think about  
Like the ocean, moonlight, stars and clouds  
Its amazing how we never appreciate our blessings  
Theres plenty of people who dont like me  
But since my mother loves me and I love myself  
Sometimes it gets tough it gets tough  
But I cant give up cant give up  
Theres things right before my eyes  
I feel the love and give a smile.

#### CHORUS 2x

Its me  
I just wanna be happy, just be happy,  
Just be happy.  
Today is the day  
I am willing to say  
I will put all the best behind me, no more enemies  
Im ready for the world  
Im living in this world  
I wanna make a change  
Im gonna make a change  
Put on my happy face

#### CHORUS 2x

Everythings gonna be all right, everythings
