Verse 1:

I changed my life for you and all that you could do
You betrayed me
How could you play me?
You got me doin things I know I shouldn't do
Am I crazy , to live this way see I know I'm wrong
I'm ashamed everyday
We're not as one, but you think it's okay
My life is not meant to be live this way this way
You Promised me, one day we would be Husband and
wife , but it seems to me
You moving further away from me, from me

Chrous:

Lord I'm trying to do what pleasing in your sight
But I'm in love
Right now I'm caught up Instead of leaving
I know you be right by my side and you'll make a way
Just have your way

Verse 2:

I've spent too much time, playin wife
For many nites keepin you happy (Giving you all me) My
way
But every morning, feeling guilty cuz your lying next to
me
O Lord forgive me, I thought by now we'd be married
4 months ago, you promised me
By now I'd have my wedding ring, you've shown no
commitment to me, to me
I cannot blame you, for using me, if I continue to let this
be
Cuz shackin with a man just ain't me, ain't me

(Sing Chorus)

Have Your Way
