Dun dun dun dun dun dun dun uh
La da da da da
Listen

You know I've had my share of ups and downs
You live and learn, this world keeps on turnin' round
Sometimes those rainy days, seem like they last
forever
Wish I could turn the page and move on
(And move on)

Been longing for the days when you used to sit here
talkin'
(All through the night)
Trynna keep my spirits high so I can walk in
(Into your life)

Used to be right next to me
All the things you dream about when you're a teen
Now it seems like everything's so far away
Then one day you know

I heard a word
Saying, girl you'll be fine
I heard a word
That would ease my troubled mind

Took all the hurt away
Warmed me up inside like a summer day
So glad you said, you'd never break your promises
I thank You Lord, I thank You God

'Cause everybody needs
(Needs)
Somebody standin' by their side
You look at the road, it's get rough
Still you say to yourself gotta try

Now I'm ready for the flight
(For the flight)
Send a little help, let your angels fly
(Fly)

Heard the words deep down inside
I will survive, I'm stronger 'cause I

I heard a word
Saying, girl you'll be fine
I heard a word
That would ease my troubled mind

Took all the hurt away
Warmed me up inside like a summer day
So glad you said
You'd never break your promises

You promise me you love me
(Love me)
You promise me you'd bless me
(Bless me)

You said to me that
On you shoulder I could cry
And if I did you dry my eyes
And hold me

I'm so glad that you
(Took all the hurt away)
Took all the hurt away
Warmed me up inside
So glad that you never break your promises

You got me singin"
La la la la da ohh
Sing
La la la la da ohh, ohh

You took
You took my hurt away
Warmed me up inside like a summer day
So glad you said, you'd never break your promises,
ohh

I heard a word
Saying, girl you'll be fine
I heard a word
(I heard a word)
That would ease my troubled mind

(Took all the hurt away)
Warmed me up inside like a summer day
(Warmed me up inside)
Yes you did
So fast, so glad, so glad

Yeah, yeah, yeah, yeah, yeah

(I'm glad, I'm glad)

Oh, I'm so glad, I'm so glad

(I'm glad, I'm glad)

I'm so glad
