Before time was you were
And when it's over you will be
My everything you fulfill my needs
And every morning you are the song I sing

You are everything to me
You are in every breath I breathe
All of the love I'll ever need
From my heart to yours

You're in everything I do
That's why I keep running to you
All of the words I say are true
From my heart to yours

Before you created Heaven and Earth
You held me in your heart
You saw mistakes that I would make
And you planned ahead for an escape
And I thank you

You are everything to me
You are in every breath I breathe
All of the love I'll ever need
From my heart to yours

You're in everything I do
That's why I keep running to you
All of the words I say are true
From my heart to yours

[Bridge]

I just wanted to tell you how
I feel
From my heart to yours
Oh I love you yes I do
Because you showed your love to me
You gave your life
It was the ultimate sacrifice

You are everything to me
You are in every breath I breathe
All of the love I'll ever need
From my heart to yours

You're in everything I do
That's why I keep running to you
All of the words I say are true
From my heart to yours
