Help me to remember girl if you don't mind

Well I feel just like the jester when the music died

Haven't seen you lately,

But I know that nothing's changed

Feeling kinda shaky but the wounds have healed

There's a crack there in the doorway where the walls
have peeled

And I still see the sun go down, on a clear day

Here comes horses

There goes the rain

Here goes nothing, here it comes again

I was thinking I was angry but I'll let it go

I was waiting on a miracle but nothing showed

And they say our new messiah is at the local bar

Greetings from the homefront have you heard the
news

That daddy bet his paycheck on the horses shoes

And we won't feel that way for a long long time

Here comes horses

There goes the rain

Here goes nothing, here it comes again

Sitting in a taxi at the evenings end

I was trying to remember where it was I'd been and
Whether I've got someplace else to be
I ask you why you come here you say just because
I guess I could do without it if I knew what it was well
It really doesn't matter, when you look at me that way
Here comes horses
There goes the rain
Here goes nothing, here it comes again
Here comes horses
There goes the rain
Here goes nothing
