Intro [the writing's on the wall]

Letoya barzini

I wanna thank you

For having you organize

This meeting here today

And kelly steracki

I also want to thank you

And all the other dons of the four families

Beyonce corleone, from the south west

Ah, latavia clemenser from the four-four

Our objective of this meeting today

Is to discuss destiny's child's

Commandments of relationships

You know it's so unfortunate, so unnecessary

For us to end up with brokenhearts

Yes godfather

Times have changed

Relationships aren't like the old days

You know?

See what we need is a man of his word

All this, uh cheating, uh backstabbing, uhm hating

No more, no more

But godfather, how do we avoid all these mishaps?

It's obvious, the writing's on the wall
