I thought that this was something
Promisin' that one day
It would turn into something
Thought the feelings were mutual
And I didn't have to guess
Started being skeptical
Always unavailable
Like you didn't know

But now I'm feelin' something
Tellin' me this may not be
The real something
But you was showing me
Now I'm ready and you runnin'
Damn you got me open
Now I'm feelin' like I'm chokin' now
Now where am I to go?

I can't
Believe that you can't feel my heart
And I can't
Believe you let me fall so hard
Stop playin'
How could you let it go this far?
If you had doubts that I wasn't the one
You said
That you're the type to take it slow
You said
Before I stepped I'd let you know
Stop playin'
Before you let me see you with her
You coulda told me a change was gon' come

Is she the reason you don't call like you use to
Fall through my hood like you use to
Put it on me hard like you use to do
I feel in my mind what's goin' on
But my heart won't let me go until' I know
Is she the reason that my calls couldn't reach you
The deepest of my love couldn't please you
Or bring it to me home like you use to do
Seein' her fallin' for your charm

Got me feelin' like I wasn't good enough

See I know we not official
Us bein' official
Ain't ever been an issue
It came down to us
Boy remember we were different?
You said that we'd talked
If we ever had a problem 'bout anything
I was cool with no commitment
Wait

Let me take that back
It was you, so I was with it
I guess I didn't get
When you showed
You didn't miss it
Now it seems that
Your interest ain't here
We ain't the same

I can't
Believe that you can't feel my heart
And I can't
Believe you let me fall so hard
Stop playin'
How could you let it go this far?
If you had doubts that I wasn't the one
You said
That your the type to take it slow
You said
Before I stepped I'd let you know
Stop playin'
Before you let me see you with her
You coulda told me a change was gon' come

Is she the reason you don't call like you use to
Fall through my hood like you use to
Put it on me hard like you use to do
I feel in my mind what's goin' on
But my heart won't let me go until' I know
Is she the reason that my calls couldn't reach you
The deepest of my love couldn't please you
Or bring it to me home like you use to do
Seein' her fallin' for your charm
Got me feelin' like I wasn't good enough

All you had to say was this ain't what you want
I wouldn't be so hurt if I can just move on
You had me believin' that everythin' was my fault
But I can see it now it's a situation that I must let go

'Cause you ain't gonna be a man and let me know
I guess me seein' you with her tells it all

Is she the reason you don't call like you use to
Fall through my hood like you use to
Put it on me hard like you use to do
I know in my mind what's goin' on
But my heart won't let me go until' I know
Is she the reason that my calls couldn't reach you
The deepest of my love couldn't please you
Or bring it to me home like you use to do
Seein' her fallin' for your charm
Got me feelin' like I wasn't good enough

Is she the reason you don't call like you use to
Fall through my hood like you use to
I put it on me hard like you use to do
I know in my mind what's goin' on
But my heart won't let me go until' I know
Is she the reason that my calls couldn't reach you
The deepest of my love couldn't please you
Or bring it to me home like you use to do
Seein' her fallin' for your charm
Got me feelin' like I wasn't good enough
