Me and Kelly got some serious business

Now say your price I'ma drop just let a nigga slide,

Cause this party ain't a party if I ain't inside

[Jermaine Dupri:]

Shorty you to young, you ain't even 21

[Lil' Bow Wow:]

[Destiny's Child:]

So he say he got a girl

Yeah true you got a man

But the party aint gonna stop

So let's make it hot hot

All you ladies leave your man at home

The club is full of ballas and their pockets full grown

And all you fellas leave your girl with her friends

Cuz it's 11:30 and the club is jumpin jumpin

Ladies leave your man at home
The club is full of ballers and their pockets full grown
And all you fellas leave your girl with her friends
Cuz it's 11:30 and the club is jumpin jumpin

So he say he got a girl
Yea true you got a man
But the party aint gonna stop
So let's make it hot hot

Call your boys cuz tonight you're not gonna stay at home
Tell your girl she aint comin that you're goin solo
Cut her off when she talk some noise
You know you got the right to get your party on
So get your hair cut and your car washed too
Lookin like a star in your Armani suit
You need to look your best cuz your turnin heads
Tonight your gonna find a sexy chica thats gonna
Dance all night if you wanna

So he say he a girl
Yea true you got a man
But the party aint gonna stop
So let's make it hot hot

All you ladies leave your man at home
The club is full of ballers
And their pockets full grown
All you fellas leave your girl with her friends
Cuz it's 11:30 and the club is jumpin jumpin

All you ladies leave your man at home
The club is full of ballers
And their pockets full grown
All you fellas leave your girl with her friends

All the fellas time to clown (come on)

[Da Brat:]
Usually you could find me
Posted up in the corner with JD beside me
Most likely I'm high

[Jermaine Dupri:]

Well every girl that look hot I'm on the eye
spit spit
Grenadina my corona talking shit shit

[Da Brat:]
Every nigga that got a phat knot
Huh I'm on him
And if he aint got the dough stack
Why would I want him (Yeah)
I need things
Know that
If you can't supply
Picture me gone
Make this a moment for Kodak
Bye

[Jermaine Dupri:]
Don't trip yall niggas know I'm the williest
And when it comes to doin a remix so so def we
killin it

[Da Brat:]
I left my man at home
For the club is full of ballers i'ma come up on

[Jermaine Dupri:]
Well brat I met about two or three
Talkin right and tryin to leave with me
And go cut something something

[Da Brat:]
We came from making tracks in the basement
With a five million dollar spot
And rockin platinum charm bracelets

[Jermaine Dupri:]
Buy the benz and the cadillac trucks,
Got chicks in every city backin it up,
JD and Brat that's what's up

All you ladies leave your man at home

And their pockets full grown
All you fellas leave your girl with her friends

So let's make it hot hot

Last weekend you stayed at home alone and lonely
Couldn't find your man, he was chillin' with his homies
This weekend you're going out
If he try to stop you, you're goin' off
You got your hair done and your nails done too
A new outfit and your Fennidi shoes
And when you're through parlayin' at the hottest spot
Tonight you're gonna find the fellas
Rollin' in the Lexus, trucks and Hondas

So he say he a girl
Yea true you got a man
But the party aint gonna stop
So let's make it hot hot

All you ladies leave your man at home
The club is full of ballers
And their pockets full grown
All you fellas leave your girl with her friends
