Chorus [Destiny's Child & Master P]:

People always talking 'bout  
(I'm what? Say what? I'm what? Say what?)  
You're a hustler  
(I'm what? Say what? I'm what? Say what?)  
I don't care what the others think, just be straight with  
me  
(I'm what? Say what? I'm what? Say what?)

[Silkk the Shocker]

Huh? Huh? Huh?  
I know I take chances to make sure I'm sitting tight  
Do I get how I live? Sometimes I don't get it right  
My gold and platinum plaques make you know what we  
did  
Have the whole world wondering what Silkk The  
Shocker, Master P did  
See it ain't no limit, it's only the beginning  
Why? 'Cause all y'all want us to fall, and hit the wall  
It'll only take a minute, and see I get the bomb tree  
Beats By the Pound shit, it's ???, Rolex, an baguettes all  
around me  
I take this out the ghetto and live up on top, taking  
flights, and shoppin sprees, ??? on yachts see  
Money don't change me, make me live a little bit good  
Took some of my family members and my homies out  
of the hood  
See we ghetto millionaires, far away when we meet  
I think they watched us P 'cause about when we speak  
See I'm too deep to change, everybody know my name  
I guess I gotta charge it to the game

CHORUS

[Master P]

CHORUS

[Silkk the Shocker]

I guess they call me a hustler, 'cause of the fast living,  
but if I see something I gotta get it  
Because I have a vision and if I like it, I gotta get it

If I saw it went from, over the shows, over the doors  
House full of floors that's marble, a brand new Ferrari  
parked it  
When I bought it, see I'm a no limit soldier and I came  
to get it started  
What you, what you think? I'm all about my bank  
Trying to be a multi-millionaire before I'm old enough  
to drink  
Now we can ride bro, no lie bro, see nobody be here  
beside us  
So go ahead and fire it up  
Some girls like to perk it, my homies like to work it  
Soldiers from Texas, all the way to Jersey, tick to the  
tock  
All around the clock from the north, to the south, to the  
east, to the west  
It just don't stop  
So to all my real g's, throw them up high  
To all the ballers that have the corks of Crystal, let it fly  
That's how we live

Chorus [Destiny's Child & Master P]:  
People always talking 'bout  
(I'm what? Say what? No Limit say what?)  
You're a hustler  
(I'm what? Say what? New Orleans say what?)  
I don't care what the others think, just be straight with  
me  
(I'm what? Say what? South side say what? I'm what?  
Say what? East side say what?)

People always talking 'bout  
(I'm what? Say what? West coast say what?)  
You're a hustler  
(I'm what? Say what? North side say what?)  
I don't care what the others think, just be straight with  
me  
(I'm what? Say what? Silkk The Shocker say what? I'm  
what? Say what? No Limit say what?)

People always talking 'bout  
(I'm what? Say what? Ha ha, playas)  
You're a hustler  
(Congradulate, ain't no hating on this side, where the  
money at?)  
I don't care what the others think, just be straight with  
me  
(That's what hustling is about, you heard me? Master P,  
Silkk The Shocker, hustling 'til the iz-end)

People always talking 'bout

(Moving things how we get it, we gonna get it)  
You're a hustler  
(How we living, we gon' live it, stop worrying about it,  
we hustlas)  
(fade out)
