[Chorus]

Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

[Beyoncé's verse]

I think its time i let you know that
I'm proud of you I've watched you grow
and some people may not understand why Im doing
this full thing again
but so much more to me 'cuz we're friends (yeah)
been in it with me since the beginning
sometimes it got lonely without you
Sometimes I really needed my sisters to talk to I know
that you got me

Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

Do do do dum do do (Do us)
Do do do dum do do (Do us)
Do do do dum do do (Do us)
Do do do dum Do (So Lets Do Us)

[Kelly's verse]

But you know i roll*
It was God's will too go
Never failed you two
Our memories will never let go
I could share this slow*
But i know we gotta go
When the last curtain close (i'm gonna cry)

Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

[Chorus]
Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

Do do do dum do do (Do us)
Do do do dum do do (Do us)
Do do do dum do do (Do us)
Do do do dum Do (So Lets Do Us)

[Michelle's verse]
Ya'll let a girl walk in (yeah yeah)
With her arms wide open (yeah yeah)
Made me feel something (yeah yeah)
When they said i'd be nothing (yeah yeah)
Now the whole world's talkin'
Feel's so good to be walkin'
With my sister's and me
Kelly and B
Look what we've been blessed to acheive

[Chorus]
Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

Ladies I can't do me without you
Ladies you can't do you without me
Ladies you know I got you
I know you got me
So lets do us.

Do do do dum do do (Do us)

Do do do dum do do (Do us)
Do do do dum do do (Do us)
Do do do dum Do (So Lets Do Us)
