[Hook]

Ladies I can't do me without you  
Ladies you can't do you without me  
Ladies you know I got you  
I know you got me  
So lets do us.

Ladies I can't do me without you  
Ladies you can't do you without me  
Ladies you know I got you  
I know you got me  
So lets do us.

[Verse]

I think its time i let you know that  
I'm proud of you I've watched you grow  
and some people may not understand why Im doing  
this full thing again  
but so much more to me 'cuz we're friends (yeah)  
been in it with me since the beginning

sometimes it got lonely without you  
Sometimes I really needed my sisters to talk to I know  
that you got me

Ladies I can't do me without you  
Ladies you can't do you without me  
Ladies you know I got you  
I know you got me  
So lets do us.

Ladies I can't do me without you  
Ladies you can't do you without me  
Ladies you know I got you  
I know you got me  
So lets do us.
