you're holding me and i close my eyes
You're whispering and i start to cry
You feel so good,so beautiful
For as long as you life don't let me go

Just hold me,touch me,feel me
As long as you love me,
Reach for me and need me
If you could trust me and teach me
Never let go of me
Because you had for me my heart still beats

And in the eyes,the eyes of love
I hold you're face and i see the sun
And than taste your kiss and you touch my soul
And i'm feeling things i never felt before

Just hold me,touch me,feel me
As long as you love me,
Reach for me and need me
If you could trust me and teach me
Never let go of me
Beause jou had for me my heart still beats

I'm feeling what they confure love
I never knew feeling like this could exist inside of me
I'm sorring,emotions exploding
I don't want to life an other day if you not here with me

Just hod me,touch me,feel me
As long as you love me,
Reach for me and need me
If you could trust me and teach me
Never let go of me
Because you have for me my haert still beats
