Verse 1:

(Michelle):

If I don't pick up the phone like i used to,(for you), don't
you take it personal,

(kelly):

If I don't do all the things that i used to do,(to you), i
ain't mad at you,

(Beyonce):

If you get to feeling stress up in ya chest thinking that
you about to lose,(maybe it's true), and if you,

(Michelle):

losing out on sleep home worrying about me,(owww),
that's how it be.

Hook:

If you don't know,

now you know you gonna miss, my love,

and i ain't stressing 'bout a dog on thang,

cause i was true when i gave you, my love(my love
yeah),

if you search you will never find another love like my
love,

you're gonna miss me,

i ain't got time while you sit around and play with my
love(my love).

Verse 2:

(Michelle)

If you think i caught a feeling when i heard about that
other chick,(no),i already knew about it,

(Kelly)

I just needed time just to clear my mind and ask
myself,(Why i didn't handle him),

(Beyonce)

If you would've taken care of home, instead of leaving
me alone,(then), i still would be right there with you,
taken care of you, steady loving you, like i used to do.

Hook

Bridge:

(Group)

There was once a time when i blamed myself for what
was wrong,
(michelle)
i can see so clearly now because you are gone,
(Group)
that's how i spent all my time when you weren't home;
(Beyonce)
Playing around with them raggedy heifers,
(Group)
There'll be no more stressing, no more crying, no more
trying, i would rather be alone,
(Beyonce)
I'd rather be all by myself,
Cause this valuable heart of mine was yours until i
realized and finally opened my eyes.
(kelly)
You see ladies,
i know i knew better,
what was i thinking,
he gone miss me when i'm gone.
