Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone

Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone

Take her to the movies, dinner all the time
Shopping sprees for her, on me you never spent a
dime
But I was there for you when you had nothing at all
Then you got a little job and she's the one you call and

Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone

Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone

You've taken me for granted but you only get one
chance
Then you left me hurting and it won't happen again, no
So she finally left you, it ain't no surprise
That you missed your water 'cause your well went dry,
oh

Now that she's gone, you wanna come back
Is that a fact?

You've got it like that
You've made me wait too long, I'm gone

Now that she's gone, you wanna come back
Is that a fact?
You've got it like that

You've made me wait too long, I'm gone

Understand, I understand, why you think I want you
back

After what you did to me, did you think you blinded
me?

Boy you know whatever you do it will all come back to
you

'Cause you tried to play me like a fool

Understand, I understand, why you think I want you
back

After what you did to me, did you think you blinded
me?

Boy you know whatever you do it will all come back to
you

Now that she's gone

Come back

Got it like that

You've made me wait too long, I'm gone

Now that she's gone

She's gone

Come back

You've made me wait too long, I'm gone

Now that she's gone, you wanna come back

Is that a fact?

You've got it like that

You've made me wait too long, I'm gone
