(beyoncÃ©'s vocals)

You are my best friend
You been right here through thick and thin
You are my best friend
Gotten me through places i've been
You are my best friend
Through our situations
You've been my inspiration
My best friend
Your still here and i love you

(beyoncÃ©'s thanks)

I think you got angel wings
Hiding up under there somewhere
Mi-chelle my belle
Dunno where we would be if we never met you girl
I love you!
I thank you!
You such a blessing
I am so grateful
I truly believe the lord sent you to me and kelly
The smile the laughter always makes me happy
When i'm too serious or too intense
With a voice that beautiful!
You was heaven sent
My sister my life couldn't be better
Doing what i love wid my best friend
And making cheddar!

Kelly

The most beautifulist girl in the world
You're my survivor
And i admire you
You have no idea how special you are
Humble, talented and blessed you are
Sometimes i wish i could be more like you!
Sometimes they don't wanna give your credit to you
Wouldn't be a destiny's child if it wasn't for you!!!
Dc-3 forever i'm thanking you!

(kelly's vocals)

Lord thank you for your vision that we see down here
on earth
Thank you for your precious gifts your sweet precious
gift of love
Through everything can't no one come between
Us three

(kelly's thanks)

Michelle
(ain't it funny?)
God always know what's he doing
And he showed me some of that when you came
Into me and bee's life
And just let us know that we can count on you
And actually stay with a relaxed heart
Together we are sisters
Your smile has so much meaning
So much life
You are the perfect fit
What more could we ask for?
We got michelle!
Your voice is like water
Your voice is like rain
And the world ain't ready for you
I love you and i will always be here for you!

Beyonc we've come so far together
And it feels so good to have travelled
Half the road of life with an angel
Walking and learning and teaching you the whole time
God is so awesome
And i thank him for answering my prayers as a child
I never told you this, but i prayed for
A lifelong friend as a child
And god just has his way of sending precious treasures
And i found mine
Everyday our relationship gets stronger
And i love you for the
Loyal, unselfish, generous, gifted, wise and beautiful
Person you are
No one absolutley no one can take that away from us
You are the definition of a true friend!

(michelle's vocals)

Bee and kelly you two mean so much to me
Only god knew that this union was meant to be
Only god knew all the things we couldn't see
But if we pray together
We'll stay together

(michelle's thanks)

Beyonc and kelly
You both exemplify coming from my eyes
What love is
Love is patient. beyonc that's what you've been
Love is kind miss kelly, that's what you've shown
It does not envy, it does not boast, it is not proud. it is
not rude, it is not
Self-seeking, it is not easily angered, it keeps no
record of wrong. love does
Not delight in evil but rejoices with the truth. it always
protects, always
Trusts, always hopes, always preserves.
1 corinthians 13: 4-7

(beyonc's outro chants)
