Chorus:

Say my name, say my name
when no one is around you
say baby i love you
if you aint runnin game
Say my name, say my name
you actin kinda shady
aint callin me baby
why the sudden change?

Say my name, say my name
when no one is around you
say baby i love you
if you aint runnin game
Say my name, say my name
you actin kinda shady
aint callin me baby
Better say my name!

Verse 1:

Every other day i would call
you would say, baby how's your day?
but today it aint the same
every other word is
Uh Huh, Yeah Okay,
could it be that you,
are in the crib with another lady?
If you took it there first of all
let me say, i am not the one
to sit around and be played
so prove your self to me,
And the girl that you're playing
why don't you say the things
that you said to me yesterday?

Bridge:

I know you say that i am assuming things
Something's going down thats the way it seems
Shouldn't be a reason why you're acting strange
If nobody's holding you back from me
Cause I know how you usually do

When you say everything to me times two
Why can't you just tell the truth?
If somebody's there then tell me who

(CHORUS)

Verse2:

What is up with this?
Tell the truth, who you with ?
How would you like it if
I came over with my clique
Don't try to change it now
Sayin' you gotta bounce
When two seconds ago
Said you just got in the house.
It's hard to believe that you,
are at home, by yourself
when i just heard the voice or
the voice of someone else.
Just this question
Why do you feel you gotta lie?
When caught up in your game-acapo
