Second nature

Why does love always seem so very hard
It's such a struggle to win the reward
Because I'm playin' with the wrong cards
But I think I got the winnin' hand
There's something different about you, babe
That tells me I can

I say it's easy for the things that I do
Never a question, always a pleasure to
Love you, love you, love you

Baby, I won't say no
The love that you give is so
Abound and I can't let go of this love

It's so natural, so natural to give my love
It's so easy, easy like second nature
It's so natural, so natural to give my love
Like no other, easy like second nature

Baby
Baby

Thinkin' of you is the breath that I take
Just for your love I can't wait
I could never think twice
It wakes me up in the mornin'
And in the middle of the night
And with a smile on my face, I'm ready

Baby, I won't say no
Your love that you give is so
Abound and I can't let go of this love

It's so natural, so natural to give my love
It's so easy, second nature
It's so natural, so natural to give my love
Like no other, second nature

It's so natural, so natural to give my love
It's so easy, second nature
It's so natural, so natural to give my love
[Incomprehensible] second nature

Second nature
It's so natural, baby
To give you all my love, yeah
And if you want it then you got it, baby

Second nature
Second nature
Second nature
