I wanna know if I could get to know you  
So many things baby, I can't wait to show you  
I don't know if you feel the same as I do  
Give me a sign baby, show me what to do

Can I be all you need  
Can I be your everything  
Baby the time is now  
If you just show me how

Show me the way to love you  
Every night and every day I'm thinkin' of you  
All I need is just a chance to love you baby  
Show me the way baby, show me the way, the way

What would it take for us to be together  
I wanna know would you stay with me forever  
Give me the chance, I know I can make you love me  
Just say the word baby, let me make you see

Can I be all you need  
Can I be your everything  
Baby the time is now  
If you just show me how

Show me the way to love you  
Every night and every day I'm thinkin' of you  
All I need is just a chance to love you  
Show me the way baby, show me the way

Show me the way to love you  
Every night and every day I'm thinkin' of you  
All I need is just a chance to love you  
Show me the way baby, show me the way

Show me the way  
What would it take for me to love you  
Every night, every day  
I want you to know I'm thinkin' of you

Show me the way to love you  
Every night and every day I'm thinkin' of you

All I need is just a chance to love you  
Show me the way baby, show me the way

Show me the way to love you  
Every night and every day I'm thinkin' of you  
All I need is just a chance to love you  
Show me the way baby, show me the way

Show me the way to love you  
Every night and every day I'm thinkin' of you
