(T.I. raps)(Beyonce in between his rhymes)  
(I want a soldier)  
The way you got it I'm the hottest around  
They'll know when they see you rolling them  
Impalas around it  
(I got a soldier)  
With the top down feeling the sounds  
Quaking and vibrating your thighs, riding harder  
Than guys  
With the chrome wheels at the bottom,  
White leather inside  
With them flames spitting at you tell them  
Don't even try it  
Shoot it with 'Chelle and kick it with Kelly or hollar at B  
You got be G's you way out of your league

(Kelly)  
We like them boys that be in them 'lacs leaning,  
leaning  
Open they mouth they grill gleaming (gleaming)  
Candy paint keep that wheel clean and (clean and)  
They always be talking that country slang we like  
They keep that beat that be in the back beating  
(beating)  
Eyes be so slow from the chiefin' (chiefin')  
I love how he keep my body screaming (screaming)  
A rude boy that's good to me with street credibility

(chorus)  
If his status ain't hood  
I aint checking for him  
Better be street if he looking at me  
I need a soldier  
That ain't scared to stand up for me  
Known to carry big things if you know what I mean  
If his status ain't hood  
I ain't checking for him  
Better be street if he looking at me  
I need a soldier  
That ain't scared to stand up for me  
Gotta know to get dough and he better be street

(Beyonce)

We like them boys up top from the BK (BK)  
Know how to flip that money 3 ways (3 ways)  
Always riding big on the freeway (freeway)  
With that east coast slang that us country girls we like  
Low cut Caesar's with the deep waves (deep waves)  
So quick to snatch up your Beyonce (your Beyonce)  
Always coming down bopping our way (our way)  
Telling us that country girls the kinda girls they like

(chorus)

I know some soldiers in here  
(Where they at, where they at)  
They wanna take care of me  
(Where they at)  
I know some soldiers in here  
(Where they at, where they at)  
Wouldn't mind taking one for me  
(Where they at)  
I know some soldiers in here  
(Where they at, where they at)  
They wanna spend that on me  
(Where they at)  
I know some soldiers in here  
(Where they at, where they at)  
Wouldn't mind putting that on me  
(Where they at)

(Lil wayne raps)

See cash money is a army  
I'm walking with purple hearts on me  
You talking to the sergeant  
Body marked up like a subway in Harlem,  
Call them  
Weezy F baby, please save the baby  
If you don't see me on the block,  
I ain't trying to hide  
I blend in with the hood, I'm camouflage  
Bandana tied so mommy join my troop  
Now every time she hear my name  
She Salutes

(Michelle)

I like them boys over there  
They looking strong tonight (strong tonight)  
Just might give one the phone tonight (phone tonight)  
Homie in the dickies in my zone tonight (zone tonight)  
He don't know it might be on tonight  
Ohhh he looking good and he talking right (talking  
right)  
He the type that might change my life (change my life)

Every time he look at me my girls be like (girls be like)  
That one may be the one tonight

(chorus )

I know some soldiers in here  
(Where they at, where they at)  
They wanna take care of me  
(Where they at)  
I know some soldiers in here  
(Where they at, where they at)  
Wouldn't mind putting that on me  
(Where they at)
