It's beautiful outside
And the wind is whistlin'
I look outside my window
As I see my neighbor's Christmas tree

The snow is fallin'
My spirit's feelin' happy
I'm feelin' even better
'Cause I got my family next to me

I gotta thank my Lord
(Thank you, Lord)
Thanks for what I have
(Thanks for what I got)
I couldn't ask for more
(Couldn't ask for more)
God, I am so glad
(Thanks for what I got)

(Some think I am blessed)
Just because of the
(Amount written on my check)
Not because of the
(Amount of my happiness)
Is the reason
(Why I am so blessed?)
So I'm gonna

(Havin' me a Merry Christmas)
Christmas
(Feliz Navidad)
Feliz Navidad
(And havin' me a Merry Kwanzaa)
Kwanzaa
(Happy Hanukkah)
So I'm gonna

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day

Somewhere high up in the sky
My Santa Claus is comin'
With Donner, Dancer, Prancer, Vixen
Keepin' Randolph comin'

He's bringin' goodies
To the ghettos and the hoodies
To mansions and suburban places
And apartment kiddies

Representing Houston, Texas
ATL, Illinois ladies
Chillin' with Rosie O'donnell
Havin' a good time we clownin'

(Some think I am blessed)
Just because of the
(Amount written on my check)
Not because of the
(Amount of my happiness)
Is the reason
(Why I am so blessed?)
So I'm gonna

(Havin' me a Merry Christmas)
Christmas
(Feliz Navidad)
Feliz Navidad
(And havin' me a Merry Kwanzaa)
Kwanzaa
(Happy Hanukkah)
So I'm gonna

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day

Do you have my back on Christmas day?
Yes, I got your back on Christmas day
Do you have my back on Christmas day?

Girl, I got your back on Christmas day

You got my back?

(I got your back)

You got my back?

(I got your back)

You got my back?

(I got your back)

You got my back?

Listen!

My youngsters, teenagers, my mommas, my poppas
My sisters, my brothers, grandmothers, grandfathers
My uncles, my aunties, my nephews, my nieces
I hope you, I hope you're ready for the season

And I hope you heard one thing I had to say
Laugh, love, care, share, bring peace and pray
Bring lots of happiness and joy to someone's day
We're gonna spread a little love on Christmas day

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day

Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
