[Beyonce]

There are times I find it hard to sleep at night
We are living through such trouble times
And every child that reaches out
For someone to hold
For one moment
They become my own

And how can I pretend that I don't know
What's going on?
When every second
And every minute
Another soul is gone

And I believe that in my life
I will see
An end to hopelessness
Or giving up
Or suffering

Then we should stand together this one time
Then no one will get left behind
And stand up for life
Stand up
For love

[Kelly]

Im inspired
And hopeful
For each and everyday
That's how I know
That things are gonna change
And how can I pretend that I don't know
What's going on?
When every second
And every minute
Another soul is gone

And I believe that in my life
I will see
An end to hopelessness
Or giving up

Or suffering

If we all stand together this one time
Then no one will get left behind
And stand up for life
Stand up
For love

[Michelle]
And it all starts right here
And it starts right now
One person stand up !
And the rest will follow
For all the forgotten
For all the Unloved

Im gonna sing this song,

And I believe
That in my life
I will see
An end to hopelessness
Or giving up
Or suffering

If we all stand together this one time
Then no one will get left behind
Stand up for life (Kelly)
Stand up and sing (Michelle)
Stand up for love (Beyonce)
For love
For love
