*[Intro Rap - Mocha:]*

Yo, thats what luvaz do  
? color boo  
Everything wonderful  
Tee hee hee, I'm under you  
Yea I seen it before  
I dont need it no more  
I'm overseas on tour, lettin my feet in the door  
And for those niggaz that'll try to scam stacks from me  
Well that depends on how u handle my cat for me  
Ghetto 'fectionate and erectionate  
But the less u trick, thats the less u get  
There u go, I got impressions so stress on  
U jus second best uhh  
Stop second guess-on  
U never listen, u cant stop it I'm on fire  
Know that u goin leave out here wit your pockets lighter  
Count a stack about a hundred grand, rubber band  
I'm like your other hand, aint no other man  
Understand, not til I told u that, hold that  
I dont want it if u cant hold back, know that

*[Verse 1:]*

Baby boy, I can see that you want me  
But baby it aint that easy  
Take your time, and you can ride  
You gotta work at me, cause I'm not that type (Baby)

*[Hook:]*

I need you to, stimulate me  
You can have me  
If you want me  
I need you to, stimulate me  
You can have me

If you want me

*[Verse 2:]*

Take me out in the six  
Lemme know you wanna be up in the mix  
You say you want my sweet body  
But first you gotta pamper me  
Say you gotta phat crib in the hills  
dont mean a thing to me  
Unless I got the key  
If you split, half goes to me (Tell me)

*[Hook]*

*[Rap:]*

*[Male]* Mami what u want from a playa like me  
Out in the streets, livin O.C.  
*[Mocha]* Papi what u want from a honey like me  
Ghetto soup(?), hot Don P  
*[Male]* Pick u up from college and take u to my crib  
We can max out, tee hee hee hee hee  
*[Mocha]* It sounds real sweet, but first we hit the mall  
Shoppin sprees wit u coppin me

*[Hook]*

*[Bridge (Over Hook):]*

Tell you what its all about  
But first you gotta take me out  
Promise me it will be good  
Treat me like a balla should

*[Bridge (Over Hook)]*

*[Hook to Fade]*
