dit is niet van destiny's child maar van de spice 

You just walk in. I make you smile. It's cool, but you don't even know me. You take an inch. I run a mile. Can't win. You're always right behind me.

Don't you know it's goin'to fast. Racin'so hard. You know it won't last Don't you know why can't you see. Slow it down read the sign so you know just where you are going

Refrein: Stop right now. Thank you very much. I need somebody with a human touch. Hey you always on the run. Gotta slow it down baby. Gotta have some fun

Badapapa, badapapa, badapa always be together. Tudututu, tudututu, tudutu stay that way forever. We always got eachother. You know who you are and yes you gotta break down. You've crossed the line, so you gonna have to turn around.

Don't you know it's goin'to fast. Racin'so hard. You know it won't last. Don't you know. Why can't you see. Slow it down, erad the sign, so you know just where you are going.

Refrein:

Gotta keep it down honey, lay your back on the line. Atause I don't care about the money. Don't go wastin'my time. You need less speed. Get of the case. You gotta slow it down honey. Just get out of my face. Refrein: (3x)

Tijdens derde keer erdoorheen: Stop right now. We wanna thank, we wanna thak you. Stop right now. Thank you very much, thank you very much.

(This is by Spice Girls, not Destiny's Child)
