Survivor

Welcome to the wonderful world of destiny child  
Im the brat tat tat my homeboy dan on the track  
And we gonna lay yoou flat on your back beat with a  
Boom Boom pat pat like that ya heard we come in this  
game like some survivors  
And we leaving this game like survivors so from now  
until were dead & gone we  
Gonna be some survivors ya heard me  
Beyonce where you at.

Now I've been through the storm and the rain  
Climbed up the rough side and get tougher time  
But I'll Remain  
If I forgot the stuff that shine  
Forget the pump to protect mine  
Surviving the game, hate on me cause you lame  
There never see your face or say your name  
No pain for me  
No misery  
Cause your history  
I gonna hold on to what I got  
Strive for more perfection  
Strap on protection  
My own direction  
Born to be the best that I do  
I'll gonna make it through  
Stompin like a soldier  
In my big black boots  
I keep on Jumpin Jumpin  
Staying Funkey funkey for you  
No matter who step in or walk out your life you don't  
them  
Don't be a heaven  
As long I'm still breathing  
Not leaving for no reason  
Seen em come and go  
Once rich they not gold  
No house no more not even a condo  
As long as I know how to love  
I gonna stay alive  
Know your game of style

They en entertain me cause IæŠ! wild  
Not ashamed to stay endowed  
And arranged sit  
And know thing cooled down Spit  
And no game No doubt  
IæŠ! gonna get paid in a big way
