Hey baby
I wish you could see what I have on right now
You so sexy, imagine how
Intense it would be
To hold me right now
Our song's playin'

At night, when you're far and I'm alone
I feel the fabric from your t-shirt
Flow through my thighs
I can still hear your baritone
In my ear telling me you'll take it slow

And I was in the mirror playing wrong
Like you were here, I couldn't turn me on
So I fell asleep with the music on
Woke up again hearing the same old song, playing

(Ohh ohh)
Give it to me deeper
(Ohh ohh)
Giving me the fever
(Ohh ohh)
Now you got my feet up
This one is a keeper
Now the second verse is playing

(Ohh ohh)
We tried to stand up
(Ohh ohh)
Hold me while my hands up
(Ohh ohh)
And the music picks up
Fantasies were shook up
I'm thinking to myself again

When you're not here
(I sleep in your t-shirt)
I wish you were here
(To take off your t-shirt)
After we make love
(I sleep in your t-shirt)

Wake up in your t-shirt
I smell the scent of your cologne

When I need your feel
(I sleep in your t-shirt)
I need your help
(To take off your t-shirt)
After we make love
(I sleep in your t-shirt)
Wake up in your t-shirt
I smell the scent of your cologne

Outside I hear the rain on my windowpane
Hold up a minute, thought I heard your name
My mind, playing tricks on me again
I hear knocks at the door, is that my baby home

Why couldn't it be reality?
Looked at the clock and it's a four o three
At nine, you'll be arriving on a plane
Then we'll be making love and hearing the song again

(Ohh ohh)
Give it to me deeper
(Ohh ohh)
Giving me the fever
(Ohh ohh)
Now you got my feet up
This one is a keeper
Now the second verse is playing

(Ohh ohh)
We tried to stand up
(Ohh ohh)
Hold me while my hands up
(Ohh ohh)
And the music picks up
Fantasies were shook up
I'm thinking to myself again

When you're not here
(I sleep in your t-shirt)
I wish you were here
(To take off your t-shirt)
After we make love
(I sleep in your t-shirt)
Wake up in your t-shirt
I smell the scent of your cologne

When I need your feel
(I sleep in your t-shirt)

I need your help
(To take off your t-shirt)
After we make love
(I sleep in your t-shirt)
Wake up in your t-shirt
I smell the scent of your cologne

Oh! Boy I've been waiting
(Oh oh oh)
Now my body's shaking
(Oh oh oh)
You're so deep, baby please, take it easy
(Oh oh oh)
I look at your face and
(Oh oh oh)
Got my heart racing
(Oh oh oh)
You're so deep, baby please, take it easy

Keep it right there
Oh! Wait, wait, yeah
Keep it right there
You drivin' me crazy

When you're not here
(I sleep in your t-shirt)
I wish you were here
(To take off your t-shirt)
After we make love
(I sleep in your t-shirt)
Wake up in your t-shirt
I smell the scent of your cologne

When I need your feel
(I sleep in your t-shirt)
I need your help
(To take off your t-shirt)
After we make love
(I sleep in your t-shirt)
Wake up in your t-shirt
I smell the scent of your cologne

Oh oh
Oh oh
Oh oh
