Michelle

[Kelly]  
Ain't it funny god always knows what he's doing and he  
showed me some of that when you came into me and  
B's life  
and just let us know that we can count on you  
and actually say with a relaxed heart together we are  
sisters  
your smile has so much meaning,so much life  
you are the perfect fit  
what more could we ask for  
we got Michelle your voice is like water, your voice is  
like rain  
and the world ain't ready for you  
I love you and I will always be here for you  
Beyonce  
we've come so far together and it feels so good to  
have traveled half the road of life with an angel  
walking, and learning and teaching you the whole time  
god is so awesome and I thank him for answering my  
prayers as a child  
I never told you this, but i prayed for a lifelong friend  
as a child and god just has his way of sending precious  
treasures and I found mine  
and everyday our relationship gets stronger and I  
love you for the  
loyal,unselfish,generous,gifted,wise,and beautiful  
person you are  
no one absolutily no one can take that away from us  
youe are the difenition of a true friend

Chorus:  
B and Kelly you two mean so much to me  
Only god knew that this union was ment to be

not rude,it is not self-seeking,and it is not easily  
angered,it keeps no record of wrong
